# **State of Rhode Island Master Westlaw Agreement**

## **SCOPE OF THIS AGREEMENT**

The purpose of this Agreement is to enter into a Master Westlaw Agreement setting forth the terms and conditions under which West will make Westlaw available to Rhode Island State Agencies (hereinafter "Subscribing Agencies").

## **WESTLAW ACCESS**

Westlaw Subscriber Agreement. During the term of this Agreement, West will make Westlaw available to Subscribing Agencies upon the terms and conditions stated herein and according to the terms of the Westlaw Subscriber Agreement and its schedules, Schedule A, Plan 2 to the Westlaw Subscriber Agreement and West Software License Agreement, (collectively referred to as "Subscriber Agreement"), attached as Exhibits 1 – 3.

Any new Subscribing Agency wishing to access Westlaw must submit a Subscriber Agreement signed by an authorized agency signatory and a purchase order or West order form which incorporates this Agreement by reference.

Authorized Usage. Only government employees and personnel shall access Westlaw hereunder. All access shall be for purposes directly related to the work of the government.

New Westlaw Features or Databases. From time to time, West may notify the state of the availability of new Westlaw features or databases and whether such features or databases will be made available to Subscriber Agencies hereunder and, if so, the terms under which they will be made available.

## **WESTLAW CHARGES**

During the term of the Agreement, all Subscribing Agencies shall be billed directly for their usage at the rates set forth in the attached Rhode Island Master Westlaw Agreement Price Plans.

Any ancillary charges incurred by accessing excluded databases, features, and services will be charged at the applicable rates (including applicable transaction, communications, and other associated charges, if any) for each database, feature, or service accessed according to the then-current terms and conditions as set forth in Schedule A, Plan 2P to the Westlaw Subscriber Agreement, attached as Exhibit 2.

Westlaw will give plain and conspicuous notification to a Subscribing Agency's user when they are about to access a Westlaw database, feature or service that is excluded from the flat-rate package to which they subscribe under this Agreement.

The attached price plans and other charges are subject to change by West upon 30 days written or online notice at the annual anniversary date of this Agreement. All third-party charges (example: DIALOG on Westlaw or Westlaw Public Records) are subject to change at anytime, upon the request of the third-party who owns the data, with 30 days prior notice given in writing or online.

## PROMOTIONS / SPECIAL OFFERS

West, as a standard commercial practice, will have promotional pricing on Westlaw from time to time. Any *new* Subscribing Agency will be permitted to receive this promotional pricing. For the purposes of this agreement, a "new" Subscribing Agency is an agency that has not had Westlaw services for a period of at least one year.

West retains the right to independently negotiate customized Westlaw flat-rate packages for unique Westlaw content slices not available under this Agreement.

## CONFIDENTIALITY

During the term of this Agreement and thereafter, except as specifically provided herein and/or to the extent reasonably necessary to perform its obligations or exercise its rights hereunder, neither party shall provide or disclose to any third party, unless properly directed or ordered to do so by public authority or otherwise required to do so by law, any information or matter that (i) constitutes or concerns the terms and conditions of this Agreement or (ii) regards any dealings or negotiations between the parties relating to this Agreement. If either party is directed or ordered to provide or disclose any information or matter by public authority or otherwise required to do so by law, such party shall promptly notify the party whose information is being provided or disclosed.

West will be notified of any publication of or plans to publish, either in writing or online, the Rhode Island Master Westlaw Agreement and the Rhode Island Master Westlaw Agreement Price Plans. Because West's pricing is proprietary and confidential in a highly competitive market, West reserves the right to redact select pricing from any publication, including printed or electronic/online publications.

## TERM AND TERMINATION

This Agreement, which is subject to approval and execution by West in Eagan, MN and shall be come effective August 1, 2003, and shall remain in force through June 30, 2004.

## NOTICES

All notices, consents, approvals and the like required to be given hereunder shall be given in writing to the State, or such other address as the State may designate and to West, Attention: Joseph Kubes, at 610 Opperman Drive, Eagan, Minnesota, 55123, or such other address(s) as West may designate. Notice shall be deemed given upon such delivery of when so mailed, respectively.

IN WITNESS THEREOF, the parties have executed this Agreement by their authorized representatives.
